LAC Residents, we are asking you to please fill out and return the following "Green Challenge Form", Show your support for a Greener tomorrow, tell us what you currently do or take the challenge and try a new routine. Return the form to the Municipal Building, Scan & email it to clerk@lowerallowayscreek-nj.gov or just email your green challenge choices. LAC is recertifying with Sustainable Jersey and needs your help to earn points to qualify

HANCOCK'S BRIDGE, NJ 08038-

ONE OPTION THAT IS AVAILABLE TO RESIDENTS THAT DO NOT HAVE BROADBAND internet service is that Verizon as part of the 2014 stipulation agreed to make Broadband service available to such consumers pursuant to the terms of the bonafide retail request ("BFRR") requirements Under the BFRR process, Verizon NJ shall make Broadband service available when: a minimum of 35 single-line business or residential consumers (in any combination) located in a Census Tract (as defined by the United States Census Bureau on the date of this Stipulation's execution) in Verizon NJ's authorized service territory who:

i. have no access to Broadband from cable service providers (including single-line business or residential consumers located outside of cable providers' Primary Service Area(defined in the applicable cable providers' Franchise Order issued by the Board));
 ii. have no access to 4G-based wireless service; and
 iii. each sign a contract agreeing to at least one (1) year of service and pay a \$100 deposit to be credited towards their service ("BFRR consumer").
 LAC is its own Census Track, so if there are 35 consumers (individual households), who meet these requirements and want to pursue this way to get broadband internet services through Verizon than Email me at: clerk@lowerallowayscreek-nj.gov and we will get a list together of those who are interested.
